Ms Donna R. Searcy
Secretary
Federal Communications Commission
1919 M Street NW
Washington D.C. 20554

Dear Ms. Searcy,

Please delay the effective date of the Commissions rate regulations.

I am the operator of a small system with 4900 subscribers and 1 headend serving a small town of 9200 people. In addition to having major questions about the calculations required to complete the benchmark study, I need to know the complete details on Cost Of Service showings before I can decide what to do.

It is quite possible that the rates determined by benchmark calculations will put me out of business. I cannot complete any more of the calculations without the help of an experienced industry attorney and accountants which I do not have and cannot afford.

Please give my request your most thoughtful considerations. I am just a small businessman who is trying to serve his customers the best way I can.

Sincerely,

William K. Mitchell
President
